Summary

As a passionate software engineer with 6 years of experience, I specialize in building high-performance client applications. I combine technical expertise with excellent communication skills to ensure clarity and collaboration at every stage of development. By maintaining strong lines of communication, I help drive project success, ensuring timely delivery and alignment across teams. My proactive approach has led to the on-time completion of every project I've handled, empowering businesses to achieve their goals efficiently.

Skills

React • React Native • TypeScript • Next.js • Tailwind css • Node.js • PostgreSQL • AWS

Work Experience

Software Engineer
Aug 2023 – present
